

Where better to spend a Saturday afternoon in winter but at the famous Mardyke grounds supporting "the college".

Afterwards, calling into the clubhouse to meet some familiar faces, to discuss the match and to regale times past.

One of the great thing about college is that the team is dynamically changing, with the best and brightest coming into the club each year from school. As the "old guys" move onto the real world, the up and coming stars of tomorrow fill their places.

UCC rugby is about development of young rugby players from schools to adult rugby, where players can play with their own age before passing their jersey onto the next generation of schools stars.

Our aim is to successfully represent the University in national competition in the elite divisions of the All Ireland League.

The transitional nature of UCC rugby ensures that the brief period playing for your University is treasured long after graduation.

Ordinary Membership: €85. Members will be enlisted into our on-line "virtual rugby club" where networking will be possible for our rugby alumni. This will enable members to engage more readily one with another and with the club.

Corporate Membership: €220. Corporate Members are also welcome to list their businesses on-line if they so choose.

Members will be communicated with regularly regarding fixtures and club events such as the now famous 'Colours Lunch'. Members are also encouraged to come to the pre-match lunches at the Mardyke Pavillion.

Members will be entitled to apply for International Tickets subject to availability.

Please return you bank standing order to:
